1. The expression that certain documents listed on the information disclosure statement submitted January 12, 2006 were "Published Prior to September 23, 2003" does not remove the issue of the omission of any date of publication for these references because September 23, 2003 is not earlier than the effective U.S. filing date of this application, January 16, 2003. Accordingly, evidence of consideration for these documents is denied again.

**Comment on Submission(s)**

2. The amendment filed January 12, 2006 has been entered.

3. The drawings were received on January 12, 2006. These drawings are acceptable.
